TAI

When the children first arrived in DigiWorld, Tai declared himself leader of the group - and that settled that! Self-opinionated and loud, Tai has a reckless courage that sees him charging into action without considering the dangers. Brave and athletic, Tai is determined to lead his friends back home. His Rookie Digimon partner is Agumon.

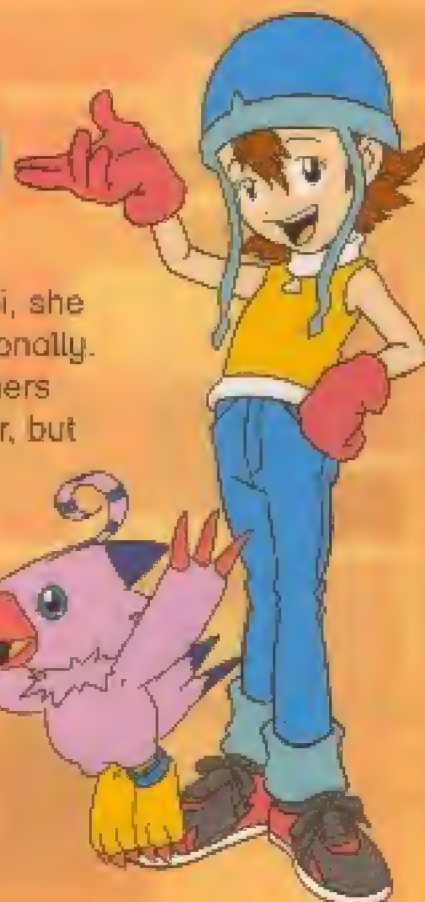

Tai's crest allows his Digimon partner to digivolve to the Ultimate Level.

SORA

Sora is the sensible one of the group. Unlike Tai, she prefers to consider their options calmly and rationally. Sora feels it is her responsibility to keep the others safe. She has her doubts about Tai being leader, but keeps this to herself - for now. Her Rookie Digimon partner is Biyomon.

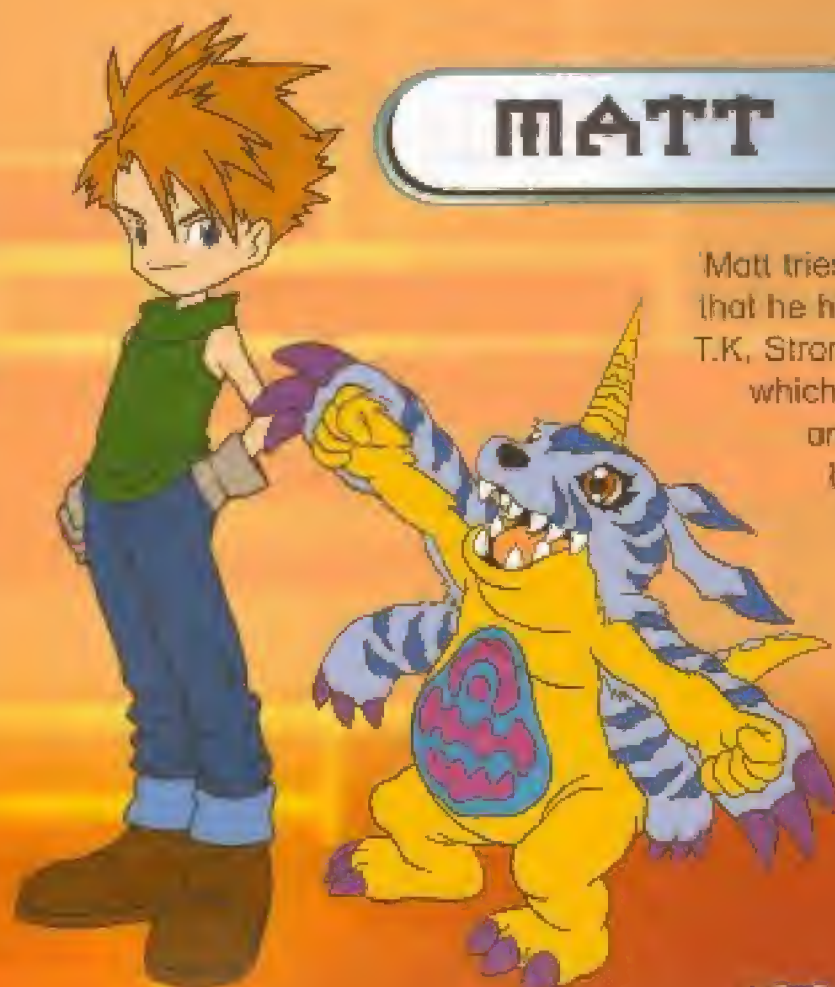

Sora's crest allows her Digimon partner to digivolve to the Ultimate Level.

MATT

Matt tries to act cool, but he has a sensitive side that he hides from his friends and little brother, T.K. Strong-willed, he doesn't like taking orders, which causes heated arguments between him and Tai. Matt's not really a trouble-maker, but sometimes comes across to the others that way. His Rookie Digimon partner is Tsunomon.

Matt's crest allows his Rookie Digimon partner to digivolve to the Ultimate Level.

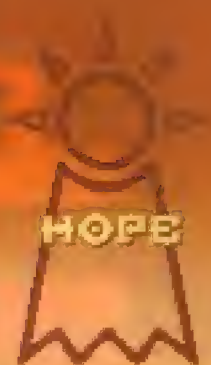

T.H.

Matt's younger brother, T.K. is the youngest of the group. He tries really hard to be brave and not let the others see when he's scared. Sweet-natured and generous, T.K. would do anything for anyone. He wants to impress Matt who he looks up to, and this sometimes gets him into trouble. His Rookie Digimon partner is Patamon.

T.K.'s crest allows his Digimon partner to digivolve to the Ultimate Level.

HOPE

IZZY

Izzy is a computer whizz-kid, who is so wrapped up with analysing everything he sees, he forgets to enjoy what's around him. Izzy talks and thinks like a scientist, and finds it hard to hold a normal conversation without discussing complex scientific theories that leaves the others reeling. His Rookie Digimon partner is Tentomon.

Izzy's crest allows his Digimon partner to digivolve to the Ultimate Level.

KNOWLEDGE

JOE

Joe worries about everything. He always expects the worst to happen - and on DigiWorld, it usually does! Joe would be the first to admit, he's not the bravest of the group - even T.K. is braver than he is! Paranoid about everything, there's usually something for Joe to complain about. His Rookie Digimon partner is the prankster, Gomamon.

Joe's crest allows his Digimon partner to digivolve to the Ultimate Level.

RELIABILITY

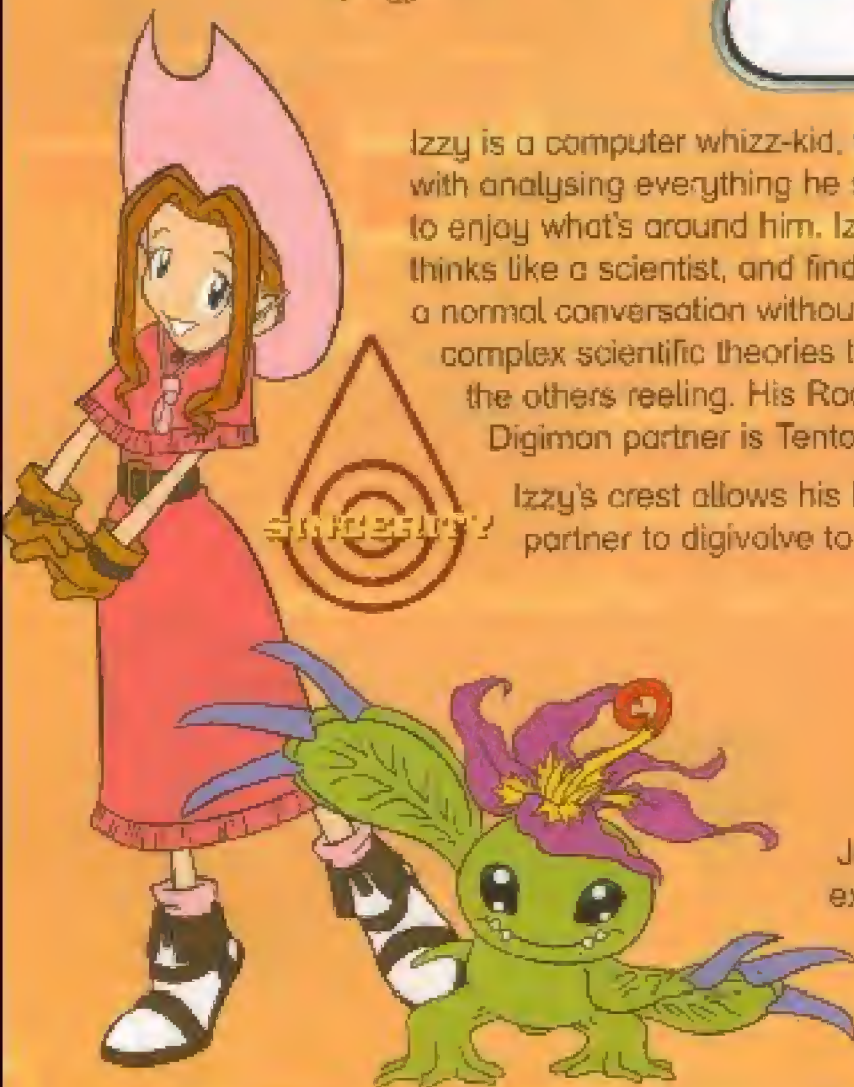

MIMI

Mimi is a sweet, innocent, caring person, but she can also be very fussy and self-centred. She is a little too trustful and naïve. She can't accept that not everyone is as sweet as she is. Digiworld is all too confusing for Mimi, and she wants nothing more than get back home.

Her Rookie Digimon partner is Palmon

Mimi's crest allows her Digimon partner to digivolve to the Ultimate Level.

Tai's Digimon partner is a warrior at heart. He's always ready to fight, but also knows when it's best to run. Unlike Tai, he's brave but he isn't reckless. He won't go looking for a fight unless he has to. His calming, philosophical ways help to teach Tai important lessons about leadership.

KOROMON

AGUMON

GREYMON

Sora's Digimon partner respects Sora's sense of duty, but thinks she takes things much too seriously. In her opinion, Sora needs to lighten up and have some fun! She knows Sora is trying to take care of the others, but believes Sora should take time out to care for herself, too.

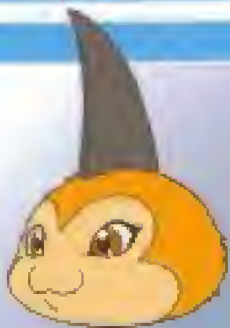

YOKOMON

BIYOMON

BIRDARAMON

TSUNOMON

A poet at heart, Matt's Digimon partner is the calmest of the Digimon. He teaches Matt to choose his battles carefully, rather than charging in without thinking. He understands Matt's true nature, and wants him to understand that it isn't wrong to show your feelings.

GABUMON

GARURUMON

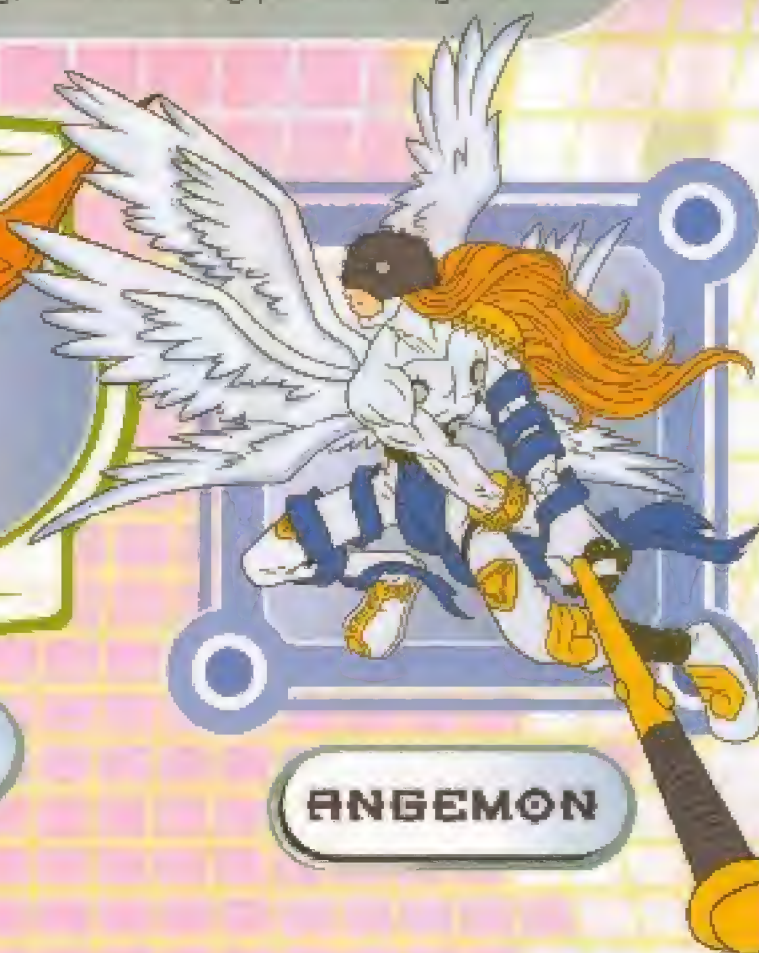

TOKOMON

T.K.'s Digimon partner acts like a loving parent and playmate to little T.K. If T.K. is ever scared, his Digimon is there to comfort and reassure him. Patamon can digivolve into Angemon, a wise and loving, but extremely powerful Digimon.

PATAMON

ANGEMON

TANEMON

Mimi's Digimon partner is perfect for her, and probably her best friend. While understanding that Mimi needs flattery and to likes indulge herself, she teaches her that it is good to care about other people, too.

PALMON

TOGEMON

MOTIMON

Izzy's Digimon partner helps him to stop analysing everything, and to see the world as it is. Intelligent, he puts Izzy's long scientific ramblings into a few choice words that everyone can understand!

TENTOMON

KABUTERIMON

BUKAMON

Joe's Digimon partner is the jester of the group - there's a world of fun out there, and he's going to enjoy every moment of it! He thinks Joe should stop taking everything so seriously - come on, chill out! To Joe's Digimon, friends are the best things in life, and he'll always be there for his friends.

BOMAMON

IKKAKUMON

IN THE DARK!

HEADS UP!

Look what's happened to the Digimon when they digivolved! They've all ended up with their heads on the wrong bodies! Using a pencil, can you connect the right heads to the right bodies?

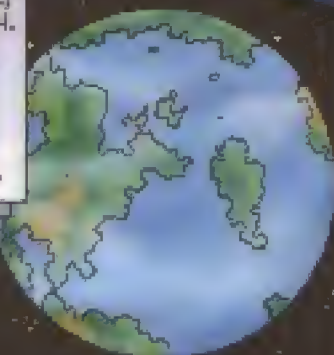

Answers: Agumon's head on Gabumon's body; Biyomon's head on Poryomon's body; Patamon's head on Poryomon's body; Terriermon's head on Poryomon's body; Renamon's head on Poryomon's body; Poryomon's head on Gabumon's body.

ADMIT IT, MY ALIEN THEORY IS BECOMING A LOT MORE PLAUSIBLE.

YEAH, THEY HIT US WITH AN ANTIGRAVITY RAY AND MADE US ALL CROOKED...

...OR MAYBE THE ROAD SIGN IS JUST LEANING!

THIS IS DUMB.

LET'S GET GOING AND SEE IF WE CAN FIND SIGNS OF INTELLIGENT LIFE.

NOT AT ALL.

IS TAI SAYING THAT DIGIMON ARE NOT INTELLIGENT?

BUT TAI IS RIGHT.

IF WE KEEP MOVING AND STICK TOGETHER, WE'RE SURE TO FIGURE WHERE WE ARE AND HOW TO GET BACK. WE'RE A TEAM.

I MEAN, WHAT WOULD BE THE POINT OF SPLITTING UP?
